#### NSSA Welcomes you to the National Shooting Complex for the 2010 World Skeet Shoot!

I would like to thank everyone for attending the 2010 NSSA World Skeet Championships. A hearty welcome is extended to our competitors, referees, vendors, volunteers and guests from your NSSA staff, officers and directors. We sincerely hope that your experience at the 75th NSSA Annual Skeet Championships will be a memorable one and that you will return in future years.

The World Skeet Championships brings you to San Antonio, a great city to explore along with good shooting at the National Shooting Complex (NSC) with friends and family. Explore the city and the fine restaurants. Remember the Alamo and walk the River Walk. Other attractions include Sea World and Fiesta Texas just to name a couple

This year, we have enhanced the Mini World program with three flights of Mini World Doubles scheduled for Friday. This also allows us to offer an "Honors Only" HAA event for the Mini weekend which has never been done before. We have also scheduled two of the popular  $4\times50$  target events on Thursday and Friday before the Mini, a perfect way to get warmed up on the Championship fields. This year, the World Shoot Main Event has been shortened by one day; the Monday 12 gauge event consists of 75 targets shot in the morning (East) and 75 targets shot in the afternoon (West). There will be four flights in the Main Events again this year providing more daylight at the end of the shooting day for shoot-offs. We have German silver belt buckles for all First in Class in each event which we intend to present in the stadium field each evening. There will also be plenty to do at the National Shooting Complex. 5-Stand and Sporting Clays competitions will be available for your enjoyment as will the chance to shoot additional targets during the World Shoot, beginning on Monday. The Hall of Fame Banquet is scheduled for Tuesday evening this year, after the 20 gauge shoot-offs and is always a good time; I hope you plan to attend and support our Hall of Fame Inductees. And, don't forget the party for all the shooters, exheduled this user flow. Mediated and the plane at the Merin Club hours and allow for your enjoyment as hope the shooters. scheduled this year for Wednesday evening as shoot-offs wind down at the Main Club house and along Vendor Row.

While you're here , take the opportunity to visit Vendor's Row. One of the unique aspects of the World Shoot is the variety and availability of shooting-related products. Manufacturers and vendors of the best shooting products from afar relocate to the National Shooting Complex for the eight days of the Mini World and World Skeet Championships. Shotguns and related accessories are of the highest caliber (pun clearly intended). The price is right and the service is unequaled. Look through this program and see who supports the skeet shooting community with sponsorships. Then take a few minutes to introduce yourself to them and let's make sure we support them. Visit Vendor's Row. I believe you will find it is well worth your time.

It is the duty of your Association to make the World Championships a most memorable and enjoyable experience for you, our members. I would like to personally thank all those individuals who worked so hard to support and present this year's World Shoot to you. Please let us know how you enjoyed your World Shoot, especially if this was your first time here, and suggest what we can do to make it even better in the future.
