OUR SPONSORS

NSSA Welcomes you to the National Shooting Complex for the 2011 World Skeet Shoot!

Todd, Wayne and LP are here! Fred, Mary and Hank are here too! All of the shooters you already know, and those you haven't yet met are here in San Antonio for the World Shoot. This is your shoot, your sport, held at your gun club. The top shooters and class competitors from across the country and around the world are here for the World Skeet Championships. The staff at the National Shooting Complex has made many improvements to the grounds and facilities to make your visit more enjoyable.

This is the second year of our new format, allowing many opportunities to shoot additional targets the entire week. A few minor changes have been made in the program, so read it carefully and shoot all the targets you desire.

The World Shoot is the showcase event for our vendors and sponsors, and you will want to see the new guns, accessories, clothing, traps and equipment presented by the folks who know and understand the clay targets sports. A trip down vendor's row is a must!

On behalf of your officers and the staff at the NSC, we extend a special welcome to first time World Shoot attendees. These major events are designed to appeal to both world champions and all members of the association.

The River Walk, The Alamo, great restaurants and great shooting await you. Bring the family and enjoy October in San Antonio. Meet new friends and discuss the shooting sports under the porch. I know you won't be disappointed!

REFERES/BRILEY VOICE RELEASE

This tournament will use professional referees. The Briley Voice Release, known as "The Wand", will be available on all competition and practice fields. Squads will have the option of voice release or manual referee pulls during regular competition. Shoot-offs will use the voice release system only—this is mandatory. Calls made by the referee will stand unless presented to the Protest Committee for review.
